The undersigned company applies for entry into the Fecc European Responsible Care Programme. The undersigned company commits to follow the rules and requirements as laid down in the Fecc European Responsible Care Programme.

The company commits to provide Fecc with all documents as formulated in the Chapter IV – Requirements of the Programme: CEO commitment (annex I), appointment of RC Coordinator (annex II), KPIs Questionnaire (annex IV), and third party assessment report.

After submitting this form to Fecc, the company shall receive:

- The Fecc European Responsible Care Programme with annexes
- The Guidelines for the implementation of the Fecc European Responsible Care Programme

The Programme is self-funding. A company entering into the Programme will pay a fee of 500 € per country every three years.

The process for receiving the RC logo is set out in the Guidelines.
